WHY TITAN ROOFING?

Personal

We work hard to provide the best customer experience through honest, personalized service. Our operations team, office staff, and experienced roofers are on top of each project's specific needs.

Flexible

We know how commercial contracting goes; change happens. Our team will work with you to address changes and challenges that may arise in the process. We're a partner who sees the job through to the end.

Trusted

For 40-plus years, commercial contractors across the Las Vegas Valley have trusted us with their roofing needs – from roof repairs, roof replacements to new builds.

HOA Services

We are here to support you and your communities! Our services include:

- Reserve Study Support
- Budget Report Analysis
- Existing, Progress and Completion Documentation for HOA Records
- Onsite Training Seminars to Include Knowledge Awareness & Presentations
- Customized Maintenance Programs
- Bi-Annual and Annual Inspections
- 24 Hour Emergency Repair Services

"I want to thank Titan Roofing for a job well done. Our property was not ideal to work on and your company exceeded our expectations on the timeliness and quality. Working on 28 buildings while people were living in them and completing the project without any flaws was remarkable."
