HARDWARE OPTIONS TO ENHANCE EVERY LOBBY ENVIRONMENT

Everything from small tablets to large 55" floor standing kiosk and everything in between, ALICE Receptionist has the hardware to enhance the lobby experience of any property.

WHAT WE OFFER

Guest Registration and Screening

Offer guest a self-check in process tailored to meet your properties procedures. Frequent guests can be registered and receive a QR code for Fast Track Check-in.

Enhanced Security

Capture information about every guest, scan ID's, Screen against "do not allow" list, ensure guest review and acknowledge guest policies and much more.

Vendor Time Tracking

Vendors use QR codes to check-in and out while on property, allow management to track time spent on property.

Remote Access Control

Give security and front desk workers the ability to remotely unlock doors.
