Dream Design Cabinets:

Our facility is here locally in Las Vegas, NV., therefore foregoing any shipping costs. We are the only custom European cabinet manufacturers in town with the best prices and fastest turn around!

We specialize in Modern Cabinetry - very sleek, very tailored with clean lines. European inspired design can accommodate any budget and match any lifestyle. We have 48 in stock beautiful finishes to choose from plus many more we can order.

Kitchen and bathroom cabinets, entertainment centers, beds, nightstands, garage storage and more.

Flooring Inspiration:

A guide that helps customers find the perfect flooring for their home, based on their preferences, budget, and lifestyle. It also includes tips on how to care for different types of flooring.

Home Furniture:

A new section that offers a variety of furniture options for different rooms and styles, such as sofas, beds, tables, chairs, and more.
